**Sunday, May 11:** We will honor our **High School Graduates** in worship with a special reception and roast during Sunday school hour in the Fellowship Hall.

## Trinity's "Extra Mile" Donations

### *A Special Opportunity to Support and Remember*

Trinity is currently receiving special "extra mile" donations to support the 2025 general budget deficit for operating expenses. These gifts go beyond regular giving, providing crucial funding for Trinity's continued work in the community. If you would like to contribute and receive a cross, please see Lara Townsley by the piano immediately after the service.

### *As a Thank-You for Your Support*

To express our gratitude for your extra mile giving of \$200 or more, we are offering a special gift with your donation. You will receive a beautiful handmade cross, crafted from one of the original pews in the Trinity sanctuary. They are approximately 6" x 4" in size and come in a variety of colors and designs. These crosses carry the rich history and spirit of Trinity and serve as a timeless reminder of the faithfulness and dedication of generations of Trinity members.

Thank you for your generous support.

***Give Beyond. Support Trinity. Own a Piece of History.***

## Trinity Honors our University Graduates

**Mo Edwards** graduates with an MTA (Master's in Tax Accounting). She will relocate to Cleveland, Ohio, to work as a tax accountant in the offices of Ernst & Young.

**Madesyn Floyd** graduates with a BS with majors in Psychology, Neuroscience and Philosophy. This summer, she will enter the U.S. Army's Officer Candidate School, and in the fall, she will begin working on her MA in Nursing.

**Mason McKibben** graduates with a MS in Finance and a BS in Accounting. He has accepted a position as an auditor at the Cleveland, Ohio, offices of PricewaterhouseCoopers.

**Nolan McKibben** graduates with a BS in Chemistry and with minors in the Randall Research Scholars Program and Interdisciplinary Studies in Medicine. In the fall, he will enter UA's STEM Path to the MBA Program before attending medical school.

**Anthony Zamora** graduates with an MM in Piano Performance. He will begin working on his doctorate in Piano Performance at Florida State University in August.
